Date of this Communiqué: 26 February 2019

On 26 February 2019 the President of the Republic of South Africa and the provincial Premiers proclaimed the 8 May 2019 as the elections date by way of notices in the *Government Gazette*.

Please note that voting day abroad will not occur on the same date as voting inside of the Republic of South Africa on 8 May 2019.

Voting abroad is scheduled for Saturday 27 April 2019.

Now that the President and Premiers have proclaimed the 8 May 2019 as the date of the 2019 National and Provincial Elections, registered voters who intend to vote abroad are required to notify the CEO of the IEC of their intention to vote abroad, and at which mission they intend to vote abroad.
